

About Pegasus SCS

(Supply-chain Solutions)

Pegasus SCS (Supply-chain Solutions) is a Romanian and British joint venture incorporated for freight forwarding and customs brokerage.

The Management of **Pegasus SCS** has been in the Express Courier, Freight forwarding, Customs brokerage and Logistics industry since 1997.

Through our offices in **Constanta Customs** and **Otopeni Customs**, we can offer you assistance or brokerage services for customs formalities and also a wide variety of transportation solutions.

The company has developed rapidly to provide a complete package of forwarding by air, road and sea as well as freight management services. This combined experience enables **Pegasus SCS** to be the preferred total transportation solutions provider for many companies.

Our wide experience in all aspects of international freight forwarding is complimented by the enthusiasm and drive of our staff, who are committed to delivering the highest standard of services.

With our teams experience and dedication we aim to offer our clients the best value combined with flexible solutions for their air, road, sea transportation and logistics.

We know how important time and security are for a successful business, which is why **Pegasus SCS** provide time sensitive booking for imports and exports, prompt customs clearance and secure transit transportation.

Pegasus SCS pride ourselves with the long partnerships that we have built with our clients. This has been created due to the passion for what we do as well as our determination to ensure client satisfaction.
